This educational event will provide information addressing:

Sexuality and Intimacy for People with Intellectual Disabilities.

This information is relevant to ALL ages of people with Special Needs. For the very young, Leslie addresses things you can do in the early years to make puberty easier. For the older ages she offers practical strategies to address sexuality related issues and concerns. You WILL NOT want to miss this!

Leslie is the author of the Circles program and the book; The Facts of Life...and More: Sexuality and Intimacy for People with Intellectual Disabilities.

This information will be useful for parents and educators of people with intellectual and developmental disabilities of all ages.

This event is FREE. Space is limited. RSVP early to reserve your spot.
