

NWEA Nebraska Partner Meetings

Fall 2016

9:00am-2:00pm

AGENDA

Welcome & Introductions

Updates from NWEA

Next Generation Reports, Insights Report Suite, Skills Navigator® Updates, The Learning Continuum, Nebraska Goal Strand Alignment, Technology Enhanced Items, Accommodations and Accessibility, OECD Test for Schools and more.

Breakout Sessions

NWEA Certified Facilitators will engage with area peers to share strategies on using MAP data in the following sessions. Please come prepared to share how MAP data is put to use in your classroom, school and district to inform teaching and learning.

Applying Reports-Essential Reports for Administrators and Teachers

Participants learn to access, interpret, and apply Measures of Academic Progress® (MAP®) data and resources to inform instruction.

Informing Instruction-Use of the Learning Continuum

Participants use data from Measures of Academic Progress® (MAP®) and/or MAP for Primary Grades (MPG), and instructional resources from the Learning Continuum to inform instructional planning and differentiated instruction.

Focusing on Growth-Use of Goal Setting to Impact Student Learning

Participants learn how to apply Measures of Academic Progress® (MAP®) growth data in data conversations and goal setting to improve student learning.
