

# Introduction to Problem Solving

## Grades 3-5

### Susan O'Connell

---

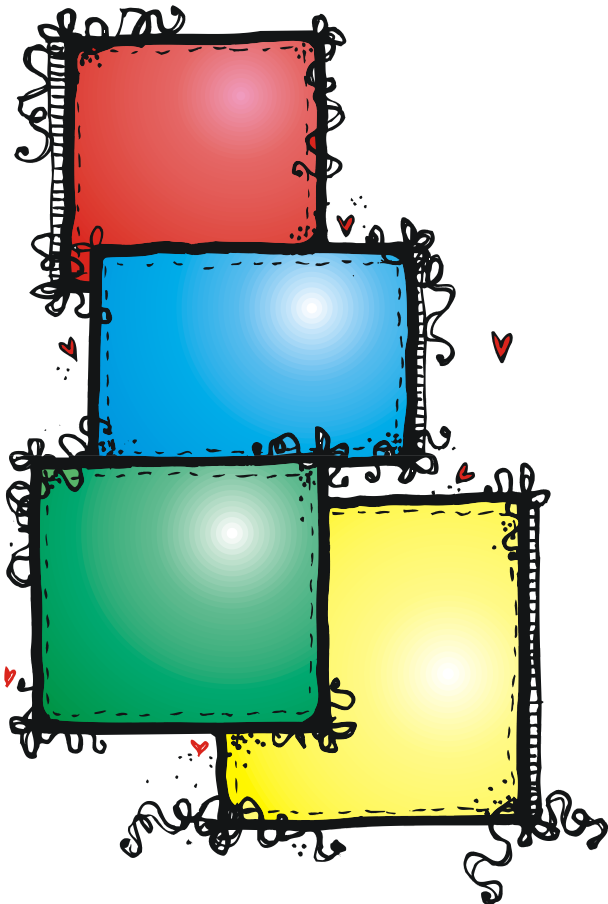

September 29, 2010

8:30 am - 3:30 pm

ESU #3: 6949 S. 110th Street

Fee:      \$59 - ESU #3  
             \$64 - Non ESU #3

---

Join author Susan O'Connell as she presents practical techniques to 3rd-5th grade educators for making problem solving doable for your students. O'Connell eases you into problem solving, giving you an array of entry points for understanding, planning, and teaching, including strategies that help students develop the mathematical thinking necessary to discover effective approaches for solving a wide range of math problems.

---

Participants will receive Susan O'Connell's book, *Introduction to Problem Solving*. This book and accompanying CD-ROM are filled with activities that are modifiable for immediate use with students of all levels and customizable to match your specific lessons.

Continental breakfast and lunch will be served to participants.

Registrations will only be accepted online. Email: [registration@esu3.org](mailto:registration@esu3.org).
